New Dormitory on Campus Houses 100 Women

An additional 100 women students are being housed this year in the new women's dormitory, Friend Hall, which has been named in memory of Dr. Lloyd Lowndes Friend, former president of Potomac State College.

The building contains 50 double bedrooms, a reception room, reception lounge, laundry, storage area, offices, a small infirmary, desk room, a sundeck, and an apartment for the

Dean of Women.

The completion of the new dormitory was just one of several projects which took place on campus this summer including the erection of a new maintenance shop near Stayman Field and the complete renovation of the Student Center which is still underway and expected to be completed in early 1964.

Degree Awarded Posthumously To Late Dean McKee

On Sunday afternoon, June 9, ceremonies were held at the home of Mrs. K. S. McKee at which time a certificate, indicating the posthumous award of the degree of Doctor of Pedagogy to Dean K. S. McKee, was presented to Mrs. McKee. The degree was awarded by action of the trustees of Davis and Elkins College, which had originally planned the conferring of the degree for the 1963 Commencement.

Representatives of the college taking part were Dr. David K. Allen and trustees Judge David E. Cuppett Jr. and Dr. John D. MacLeod.

Others present were Dr. Ernest E. Church and Coach Dana G. Lough of Potomac State College, Mrs. Allen, Mrs. Cuppett, and David Cuppett III.

Dr. McKee, a graduate of Davis and Elkins and West Virginia University, had devoted his life to educational work in the state. He held positions as instructor, school principal, junior high school principal, elementary and high school supervisor, as well as college instructor and dean.

College To Welcome Alumni At Homecoming Events Oct. 26; Plans Complete Day of Activities

Registration and Coffee Hour To Be Followed By Parade, Luncheon, Football Game; Reception and Dance Later In Evening for Sons and Daughters

Potomac State's sons and daughters will be greeted on the campus of their old Alma Mater on Saturday, October 26, as the college observes its traditional homecoming festivities.

Registration and coffee hour will be held in the assembly room of the Science Hall from 9 to 10:30 a. m. At 11 o'clock the homecoming parade, sponsored by the Circle K Club, will move from the campus, through the downtown area, and back to the college. Several floats, including one from the Alumni Association, have already been entered in the parade.

The homecoming luncheon will be served from 12 noon until 1:30 in the National Guard Armory and the committee in charge asks that reservations be made as early as possible. Details and an accompanying reservation form are enclosed with this newsletter.

The only major items on the business agenda for the luncheon are election of two new board members to succeed one board member whose term expires and to fill the unexpired term of the late Dean K. S. McKee. The

constitution of the alumni foundation states that the board shall consist of the president of the college, five members from the alumni ranks, and three members from the administrative staff of the college.

At 2 p. m. the Catamounts will meet Wesley College in the homecoming football game on Stayman Field. Colorful half-time ceremonies are planned in honor of the homecoming queen and her court.

After the game a reception

Student Union Is Relocated As Former Site Undergoes Changes

Featuring everything from lighter flints to potato chips, Potomac State Student Union has been temporarily relocated in the seminar room next to the Book Store in the Library.

The actual Student Union, presently undergoing reconstruction, when completed on or about Feb. 1, will be enlarged and will boast numerous recreational facilities. The new Student Union will be 15 feet wider and 18 feet longer than the old building. The building will be completely rewired and reroofed, with a new heating and ventilating system. There will be acoustical tile ceilings and Flexotile flooring. All walls will be paneled and feature new windows manufactured by Rusco. The front porch will be faced with white columns.

In the ground floor, formerly a maintenance shop, will be two ping-pong tables, game machines, facilities for billiards and pool, plus a room for arts and crafts under the supervision of Miss Margaret E. Rafter.

The main floor will include a writing room, television room, alcove for an orchestra, and a small dining room. There will be an office, display case, bulletin boards, coat room, and restrooms on both floors. Approximately 30 tables will be available for student use. In addition to the above accommodations, modern kitchen facilities will be installed.

The Student Union has been in existence on the campus since September 1947. Potomac State was the first of the state schools to incorporate this service. Contractor Ray C. Coffman has promised completion of improvements on or before Feb. 1, after which the temporary quarters will revert to use again as a seminar room.

Because the size of the present Union limits social activities normally taking place at the regular Union, a committee headed by Mr. David G. Nuzum, director of student affairs, has been appointed to plan an extracurricular program which can be carried out in the interim. Others on the committee are Dr. Imogene Dever, Miss Rafter, and Sp. 5 John V. Golaboff.

Hours at the present Student Union are as follows: Monday through Saturday, 8 a.m. to 4:30 p.m.; and 6:30 till 9 p.m.

The Union is open from 6:30 until 9 p.m. on Sundays.

Glenn Toothman to Represent PSC At Waynesburg

Glenn R. Toothman, II, ('40) of Waynesburg, Pa., formerly of Clarksburg, will represent Potomac State College Saturday, Oct. 12, at the inauguration of Dr. Bennett M. Rich as president of Waynesburg College and the installation of Dr. Paul R. Stewart as chancellor.

Toothman will join the academic procession that day and will also be a guest at the inaugural eve supper and the luncheon following the ceremonies.

After graduation from Potomac State, Toothman, a stellar athlete, received an AB degree at Hampden-Sydney College and an LL.B. degree from Washington and Lee University. He serves now as State Attorney of Greene County, Pennsylvania.

His wife is the former Miss Katherine Throckmorton, ('39).

Campus Shows Improvement

The campus has taken on a new look with the many interior and exterior improvements made by the maintenance staff and area contractors during the summer months.

Among the major improvements was the extensive renovation of the former Psychology Building. The building has been designated as the Language House and will now house all of the modern language classes and laboratories.

Among the additions to the Language House was the installation of acoustical tile ceiling and vinyl asbestos flooring on the ground floor. The entire building was rewired and painted on the exterior and interior.

The lecture room on the main floor can now accommodate 40 students or more, which is an increase from the language classes in the past. Yet to be installed are lights and the new laboratory equipment. Although the equipment is not yet available, laboratory classes are being conducted with recordings and materials used in last year's sessions.

Extensive work was done on the two men's dormitories, Davis and Memorial Hall, and also to the women's dormitory, Reynolds Hall. The old awning-type windows were removed from Memorial Hall and replaced by new Rusco double-hung windows. In Davis Hall a new

stainless steel cafeteria counter was installed. This addition will help expedite matters at meal time and will enable double-line service in the cafeteria. Also the stair halls, kitchen, and food preparation rooms were repainted. Extensive painting and re-plastering was done in the women's residence, Reynolds Hall.

In the Administration Building one classroom was added and four rooms were redecorated with acoustical tile and vinyl asbestos flooring. Much of the duct work from the old heating system was removed and the ceiling was laid in one classroom. Presently the offices of Dean T. H. Bullard, Dean Dever, Miss Helen Criner, and Mrs. Richard Jones are being repainted. New furniture has been purchased for two more additional classrooms.

The former maintenance shop housed in the ground floor of the Student Union has been moved to new quarters on the west side of the campus. The two-story structure, 100 x 40, will house the maintenance shops. Contractor for the building was Ray C. Coffman of Keyser.

Mary F. Shipper and David G. Nuzum Honored for 25 Years at College

Miss Mary F. Shipper, college librarian, and David G. Nuzum, director of student affairs, look over the dinner program which was planned for them commemorating their 25th year as members of the college staff.

Both faculty members and alumni paid tribute to the pair in late May during a special gathering at the Ali Ghan Shrine Country Club in Cumberland, Md.

Two members of the Potomac State College faculty were honored prior to the dismissal of the school last May on the completion of 25 years of service to the school and the community.

Honored guests at a dinner held at the Ali Ghan Shrine Club in Cumberland were Miss Mary Favel Shipper and David Graham Nuzum, who have been serving as librarian and director of student affairs, respectively, for the past couple of years. Prior to his new assignment, Nuzum was head of the English Department.

The principal address was given by President E. E. Church who paid tribute to both for their loyalty, devotion, and service to the school, the community, and all mankind through the past quarter-century.

Toastmaster was Prof. Ervin L. Dayton. Dr. Nancy M. Miller gave the invocation and the welcome was extended by Oscar H. Gustafson, president of the faculty club.

A poem composed by President Church was read by Mr. Nuzum after which Coach Dama G. Lough bestowed the faculty's congratulations to Miss Shipper in a speech which he entitled "First Lady of the Books." A

testimonial to both of the honored guests was read by Thomas J. Conlon, president of the Alumni Association, on behalf of all the former students.

Dr. Church presented gifts to both assisted by his secretary, Mrs. Gertrude Stanhagen.

Homecoming

(Continued from page 1)

will be held in the new women's dormitory, Friend Hall, from 4:30 to 6 p. m. under sponsorship of the campus sororities. Alumni will then be free to visit throughout the remainder of the evening prior to the homecoming dance scheduled from 9 p. m. until midnight in the college gymnasium.

The office of the Director of Alumni Affairs has sent letters to members of the Class of 1937 and 1938 suggesting that they have a reunion. This year also marks the 50th anniversary of the Class of 1913 and alumni officials are hopeful that group will be represented.

2 Scholarships Honor Dean McKee. Another, Former Student, Leona Gift

Two scholarships have been established at Potomac State College as memorial tributes to the late Dean K. S. McKee and another in honor of Miss Leona P. Gift, a former student.

The first grant established in memory of the Dean is that of the Faculty Club which was organized at the time of his death in lieu of floral tributes. The fund has now risen to approximately \$825 and the first portion will be used this semester.

The second was established by Boyce-Houser Post 41, American Legion, to which Dean McKee belonged for many years. Committee members include all former Potomac State students: Paul J. Davis, chairman; James H. Swadley, Jr., R. A. Stoumyer, John W. Bosley, and Clyde W. Gardner.

A scholarship honoring Miss Gift was established by her

classmates during the recent reunion marking the 40th anniversary of their graduation from Keyser High School.

Spokesmen for the Class of 1923 claim that the \$200 grant is the first such fund to be established at the college by a high school graduating class. Miss Gift was an instructor in the Keyser Elementary School for many years prior to her death.

The scholarship committee is comprised of former PSC students: Miss Madalyn Bazzle, T. Warner Lowry, and H. R. Athey.
